RE: GRASS TRIMMINGS - DEBRIS

Greetings!

As posted on the city's FaceBook page (<https://www.facebook.com/p/City-ofGreenleaf-100064837292762/>) on 24 July 2026:

GRASS TRIMMINGS / DEBRIS - Please DO NOT move grass trimmings or other debris from your property into the street. This material can block storm-water drainage and lead to flooding during storm events. The city may pursue citation or other penalties to discourage this activity.
