LEGAL NOTICE OF PUBLIC COMMENT PERIOD AND PUBLIC MEETING
WATER FACILITY PLAN FOR THE CITY OF GREENLEAF, IDAHO

NOTICE IS HEREBY GIVEN that Civil Dynamics, PLLC, the City Engineer for the City of Greenleaf, Idaho, has prepared a draft Greenleaf Water Facility Plan to address the long-term drinking water infrastructure needs of the community. The city is currently evaluating engineering alternatives for future construction and system upgrades. Identified projects may be funded in part by the Idaho Department of Environmental Quality (DEQ) State Revolving Fund or other state and federal funding programs.

1. PURPOSE OF THE GREENLEAF WATER FACILITY PLAN - This comprehensive planning study identifies current system capacities, projects future demand, and evaluates environmental and financial impacts of proposed solutions. The plan details and contrasts multiple technical alternatives and presents a baseline and recommendation for selection of a preferred alternative.

2. SUMMARY OF EVALUATED ALTERNATIVES:

- *Alternative 1* – New Groundwater Source (250 gpm)
- *Alternative 2* – Centralized Oxidation/Filtration Before Storage at Butler (450 gpm)
- *Alternative 3* – Centralized Oxidation/Filtration After Storage at Butler (200 gpm)
- *Alternative 4* – Oxidation/Filtration Before Storage at Butler (450 gpm) and Harmony (200 gpm)
- *Alternative 5* – Oxidation/Filtration After Storage at Butler (200 gpm) and Harmony (200 gpm)
- *Alternative 6* – Oxidation/Filtration of Average Demand (40 gpm) at Butler and Harmony
- *Alternative 7* (No Action): Continued operation under current infrastructure

Recommended Alternative: Alternative 1 – New Groundwater Source (250 gpm)

3. PUBLIC COMMENT PERIOD - The 14-day public comment period will officially commence on 13 October 2026 and close at 5:00 p.m. on 28 October 2026. All interested citizens are encouraged to review draft document and provide written feedback regarding potential environmental or socioeconomic impacts.

Written comments must reference the "Greenleaf Water Facility Plan" and be submitted to Lee C. Belt, the City Clerk, by mail at: 20523 Whittier Drive, Greenleaf, ID 83626-9199; or by email at: clerk@greenleaf-idaho.us.

4. PUBLIC MEETING DETAILS – A public meeting will be held at 6:30 p.m. on 29 October 2026 at Greenleaf City Hall (20523 Whittier Drive, Greenleaf, Idaho) to present the evaluated alternatives, accept verbal testimony, and answer questions from the community.

5. DOCUMENT AVAILABILITY: The DEQ Approval Letter and draft Greenleaf Water Facility Plan are available for public inspection during normal business hours at: Greenleaf City Hall,
